WELCOME

Beds and headboards for hotels, holiday parks and student living

Every bed and headboard in this collection is made to order and upholstered by hand in our Blackburn factory, in the fabric or leather of your choice.

Choose from 29 designs in four price groups, from simple panelled headboards to deep-buttoned and winged statement pieces, each in five sizes from single to grande emperor. Any of them can be finished in our fabric ranges or your own, with custom wood stains, studding, piping and buttoning to suit your rooms.

Blanket boxes, divan bases and mattresses complete the room. Our design team can help you put the whole scheme together.

WHAT OUR CLIENTS SAY

★★★★★

"Chris at Forest provided us with the perfect combination of furniture for our new hospice cafe. A design brief was sent through and matched- the look, feel and combinations were just right -responses and deliveries were timely, professional and Chris was a pleasure to deal with, thank you!"

Hospice café · Google review

★★★★★

"... They understood the need to take our Members at the Golf Club with us as we embarked on what would be quite a radical transformation of the clubhouse. They were generous with their time and fabric swatches whilst we made our decisions on colourways and styles, helped with CAD layouts to confirm seating and capacity, and most importantly kept us informed of progress during the manufacturing phase. ..."

"After being badly let down by another supplier, Chris and the team at Forest jumped in and saved the day ! From first contact to delivery this was a first class experience, very attentive and professional throughout. Not only a great product at a great price but actually delivered 2 weeks early ! Without question we'll be using them for the rest of the project. I can't thank you enough."

HOW TO SPECIFY AND ORDER

Four choices, one made-to-order bed

1. **Choose a design.** 29 designs in four price groups. Each design page shows its full bed and headboard dimensions, and links to its group's prices.
2. **Choose a size.** Single, double, king, super king or grande emperor, as a full bed or as a headboard only.
3. **Choose a fabric or leather.** Our fabrics and leathers are graded in five price bands, Range A to Range E, each including several well-known makers. Or send us your own: the COM row in each price table shows the price and how much fabric we need. For a commercial venue, your fabric must be CRIB 5 fire retardant for contract use. See the fabric ranges
4. **Add your finishes and options.** Custom wood stains, studding, piping and buttoning, so the beds are unique to your venue. See the wood finishes and studding
