WHAT OUR CLIENTS SAY

★★★★★

"Chris at Forest provided us with the perfect combination of furniture for our new hospice cafe. A design brief was sent through and matched- the look, feel and combinations were just right -responses and deliveries were timely, professional and Chris was a pleasure to deal with, thank you!"

Hospice café · Google review

★★★★★

"... They understood the need to take our Members at the Golf Club with us as we embarked on what would be quite a radical transformation of the clubhouse. They were generous with their time and fabric swatches whilst we made our decisions on colourways and styles, helped with CAD layouts to confirm seating and capacity, and most importantly kept us informed of progress during the manufacturing phase. ..."

"After being badly let down by another supplier, Chris and the team at Forest jumped in and saved the day ! From first contact to delivery this was a first class experience, very attentive and professional throughout. Not only a great product at a great price but actually delivered 2 weeks early ! Without question we'll be using them for the rest of the project. I can't thank you enough."

Four choices, one made-to-order sofa

1. **Choose a design.** 49 designs in seven price groups. Each design shows its sizes, feet and cushion interior, and links to its group's price table.
2. **Choose a size.** From chair to 4 seater. Many designs are also made as sofa beds, corner units or chaise units: look for the labels on each design.
3. **Choose a fabric or leather.** Our fabrics and leathers are graded in five price ranges, A to E. Or send us your own: the COM row in each table is the price in your own material, and the figure under each size is how much we need. A heavy pattern repeat or real leather may need more, so please tell us. For a commercial venue, your fabric must meet CRIB 5 (BS 5852). See the fabric ranges
4. **Choose feet and cushions.** Each design comes with standard feet and a standard interior; you can change either. Feet and interiors, page 32

Range B	Standard faux leather, house fabric
Range C	Standard fabric, standard real leather
Range D	Premium fabric, vintage real leather
Range E	Deluxe fabric, premium real leather

Reading the price tables

Every price is per piece, in pounds sterling, excluding VAT, from our 2025-26 price list. Sofa bed prices are the sofa price plus the sofa bed charge shown for that size. All dimensions are in millimetres and approximate: H is height, D depth and W width.

Standard

The default for most of our traditional Chesterfields: a high level of comfort and support with the tidy finish Chesterfields are admired for.
